

ENGIN Volunteer Hours Verification Form

Volunteer name:

Description of work performed: ENGIN volunteers work directly with English learners abroad to provide free, high-quality speaking practice. Volunteers are matched to one or more speaking buddies based on their preferences; they then hold virtual speaking sessions with their buddies once or twice per week for 30-60 minutes. The volunteer's tasks include both the session time and preparing for sessions. For more information, please visit www.enginprogram.org

Volunteer hours:

Day	Number of Hours
September 2021	
October 2021	
November 2021	
December 2021	
January 2022	

I verify that the above named student performed volunteer service for ENGIN and did not receive compensation or other consideration for this work
